Subject: Referral Casetrack 2014-SCEE-039

Dear Mr. Sisbach,

We have received your notice regarding referral of referenced casetrack to the Department of Justice. We appreciate the Department concluding all outstanding issues in one process by timely referral to the Department of Justice. Clear Horizons voluntarily reported the violations to the DNR at a meeting requested by Clear Horizons on October 10, 2014. At that meeting we notified the Department of our intention to fully comply with the permit.

We received the Notice of Violations on November 26, 2014 for the alleged violations issues and attended the enforcement conference on December 16, 2014. We received a Conference summary on January 16, 2015 and responded to that summary letter on January 21, 2015 with a notice that we had completed all agreed to compliance steps as of January 21.

Sincerely,

Norman R Doll, P.E.
